What are you most thankful for in 2019?

Grow

Read **Psalm 100:1-5**. In **verses 1-2**, how does the psalmist suggest expressing praise to God? When have you felt this way in your spiritual journey?

What are the six reasons provided in **verses 3-5** for giving thanks to God? Which of these can you most connect with right now? Can you think of anything else that you would add to this list?

Read **Colossians 3:16-17**. How is giving thanks to God both a responsibility and a joy for followers of Jesus?

How can an attitude of praise exist in all circumstances? How can our thanksgiving to the Lord change our circumstances?

In what situation of life could you apply these passages this week?

Consider closing your time together in prayer, expressing to God thankfulness for His provision and many gifts.

Can You Hear the Sound

Advent is a season of remembering and waiting, reflecting and watching, rejoicing and hoping, celebrating and anticipating the arrival of our King. In the midst of the hurry, the noise and competing voices of the world, the ego, the flesh, the enemy... "redemption's singing...the King is coming!" Can You Hear The Sound is an invitation to slow down just a little...to quiet the noise just enough...that we might hear His still small voice speaking words of hope and peace.

Can You Hear The Sound is a unique album that includes seven meditations and seven original songs. The meditations and songs lead the listener on a journey through the heart of the Advent story. CDs are available for purchase in the Worship Center Foyer for \$12.00.

Clarity Books are available in
The Worship Center Foyer for \$5.

Beginning Advent 2019, all Fellowship congregations will begin a teaching series called "Clarity." This year-long study, following the Christian Calendar, has been created to help our church see Jesus more clearly and experience Him more deeply. The Fellowship Staff has created a Clarity Book that is currently available for \$5.00 in The Foyer.

We encourage each participant in the series to have their own copy of this great resource. It will parallel the teaching series with devotionals, reflection questions, prayers, daily scripture readings, and seasonal discipleship activities for families.

The Gift

THE GIFT is our opportunity to give back to God during this Christmas season and the Elders are able to use those funds strategically, not only here at Fellowship, but in ministries locally and around the world. Also, remember Fellowship Bentonville as you make plans for YEAR-END GIVING. This is a critical time for us to make progress toward fulfilling the dream God has placed before us in developing a new campus in Bentonville. Visit give.fellowshipnwa.org to give online.

Thanksgiving

Celebrating Thanksgiving is a big part of why I love this time of year so much. We know that God is our generous provider who works everything out for our good, and because of His faithfulness, we have so much to be thankful for. What better time is there to focus on gratitude to Him than in this season? As we prepare for the holidays and shop for Christmas gifts, let us be grateful for what we have and be generous in word and deed to others. Make time to get on your knees and thank God for the blessings of life. Indeed, He has been good to us. Happy Thanksgiving!
