Luke 19:41-48

Belong

When was the last time you had a good cry? What was it about that moment that caused you to weep? How did you feel afterward? Is crying something you do frequently or is it rare for you to shed tears?

Grow

Read [Luke 19:41-44](#).

Recap last week's study of [Luke 19:28-40](#). What were the people expecting? How do you think their expectations led to Jesus' words and emotions in [verses 41-44](#)? What was Jesus anticipating that caused Him to weep? Why do you think He was so moved in this way?

Read [Luke 19:45-48](#).

What was going on at the temple that had Jesus so upset? What would be a modern equivalent of what Jesus does in this passage? How would people respond today?

Contrast the response of the religious leaders to that of the people in [verses 47-49](#). Why were their reactions to Jesus so different? What was motivating each group?

Has Jesus "turned over tables" in your life recently? Where has He been at work cleansing you? Ask the Lord to reveal a specific area of blindness in your life. In what areas are you not accurately seeing Jesus or yourself? What patterns in your life reflect a desire for selfish gain rather than humble submission?

How are you serving weekly to help create a healthy environment for others to engage in worship and pray together? Where do you see God working in and through the ministry of the local church? If you are not currently serving in the church, who can you talk to about making that kind of investment?

What place do you feel the most at peace?

How does this passage help you to see Jesus more clearly?

WEB SYSTEM CONVERSION

Mickey Rapier | Directional Leader

For over a year, we have been working with a third party company to help us securely migrate to a new church management system. And on Friday, March 13, your web account will be on a new platform! *What does that mean for you?*

1. THIS WEEK, March 9-12, the Fellowship website and database will be off-line (all online registrations and online payments will be suspended). If you are planning to register for an event or place a one-time online gift, you will need to do so BEFORE or AFTER those dates.

2. Please **LOGIN TODAY** to your Fellowship account at fellowshipnwa.org and double check that all your contact information is accurate in "Family Members" (name, phone, address, email). When conversion is complete, you will receive an automated email that will allow you to reset your password, giving you continued access to your current groups, registrations, and giving history.

3. On the weekends of March 13th (Fayetteville Campus) and March 20th (Rogers Campus), we will be rolling out a NEW CHILDREN'S CHECK-IN system. Plan to arrive a little earlier to services on those dates so that you will have plenty of time to learn the new touch-screen monitor system.

If you have questions, contact us at questions@fellowshipnwa.org.
