## FELLOWSHIP | MINUTE

Mickey Rapier | Directional Leader

### Worship One, Serve One

One of the guiding principles here at Fellowship is "Worship One, Serve One." What does that mean? Well, we encourage everyone to consider worshipping at one service, then serving somewhere on campus in some capacity during another service.

New opportunities for service begin with another semester approaching. Our Early Childhood, Children, and Student Ministries will hit the ground running this month as will Community Ministries and Training Center classes. These are just a few areas where you can serve, but the opportunities at Fellowship are endless.

Our teams depend on volunteer leaders to help execute each and every ministry at Fellowship. We hope you are praying through "where" you are going to serve this year, not "if" you are going to serve.

You can stop and chat with members of our staff at booths in The Foyer or go to our website, [fellowshipnwa.org](http://fellowshipnwa.org), scroll to the bottom of the page, and click on the "SERVE" button to see available opportunities. Quite simply, WE NEED YOU! WHERE ARE YOU GOING TO SERVE?

### Are You New?
