BELONG

What is the most practical gift you have ever received? How has it helped you?

GROW

Read [John 16:4-15](#).
What things had Jesus not told His disciples from the beginning? (Consider the content of chapters [13-15](#).) Why did Jesus wait to share certain things?

What was the focus of the disciples' questions when they asked where Jesus was going? Do you think they were concerned for Jesus or themselves? How does the disciples' motive help us understand Jesus' comments in verse [5](#)?

Read [John 16:7](#).
In [verse 7](#), Jesus tells the disciples that it is an advantage to them that He goes away. How is it an advantage to them? What happens as a result of Jesus going away?

Read [John 16:8-11](#).
What does Jesus tell His disciples about the role that the Holy Spirit will have? How have you seen the Holy Spirit do His work? Did this happen before you were a Christian, after becoming a Christian, or both?

Read [John 16:13-15](#).
What does Jesus tell His disciples about the work that the Holy Spirit will do in their lives?

How has the indwelling of the Holy Spirit been an advantage in your life? (Consider times of trial, grief and loss, when guidance was needed, sharing the Gospel with others...)

Take time to reflect and prayerfully thank God for giving the Holy Spirit and for the work that He has done in your life. Ask Him to guide you in the truth and work through you to glorify Jesus as you live for Him this week.

Celebrate Recovery

At the Rogers campus, and soon to be at the Fayetteville campus, we are privileged to offer a ministry called Celebrate Recovery to help us deal with hurts that have affected the way we see and think about ourselves and the world around us. Sometimes, we develop unhealthy habits as a way to stay away from those hurts. But, God reminds us through His Word that the only way to experience healing is to face it head on and process it with Him and others, through the Body of Christ. Celebrate Recovery provides that safe place with others that are trying to live life on life's terms. If you're struggling with any kind of hurt, hang-up, or habit in your life, I encourage you to come to Celebrate Recovery. There's always hope and healing in the revealing as we face our hurts with God and others. Come see us!
