Mickey Rapier, Directional Leader

Kristin Hartness, Global Hero!

The Global Workers we partner with here at Fellowship are heroes in our eyes and hearts. They abandon the comfort and security of home to selflessly follow God's call on their lives. Kristin Hartness is one of those workers. She has spent the last six years of her young life in the Czech Republic, devoting herself to being the hands, feet, and voice of Jesus to others. She shared Christ and disciplined young people in one of the most secular places in the world.

Kristin has now returned to Northwest Arkansas where she will undoubtedly continue to do the same. Only in heaven will Kristin realize the full impact of her time in Prague, but today she serves as a model to all of us to listen to God's call on our lives, then act on it. Being a fully devoted follower of Christ is a high calling and we welcome home Kristin, with gratitude for her service.
