## TAKE NOTE

MICKEY RAPIER | DIRECTIONAL LEADER

I want to take a moment to give a shout-out to the Fellowship Buildings and Grounds Team. John Marquette leads this group of dedicated and talented individuals who consistently go above and beyond to assure that our facilities and grounds are clean and well-kept. There was a time when our properties in Rogers and Fayetteville were barren farmland, but God had a different plan. They now serve to meet the needs of people from across Northwest Arkansas who desire to worship and grow in their relationship with Christ. Over the past month, I have walked our property in both areas and thanked God for His abundant provision. I would encourage you to do the same. The people who care for the buildings, trim the trees, and mow the grass, work behind the scenes and you don't often see them. But their work is vital to the ministry of Fellowship. If you would like to express your gratitude, send a note or email of thanks and I'll make sure they get a copy (mirapier@fellowshipnwa.org).
