Read [Genesis 22:1-14](#).

God had promised Abraham that his descendants would be as numerous as the stars in the sky (see [Genesis 15:5](#)). What do you think Abraham was thinking and feeling when God told him to sacrifice his only son (refer to [Hebrews 11:17-19](#))?

Have you ever had a time in your life when you felt like God was asking you to do something really difficult, or to give up something that you really valued? What was that like? Share with the group.

How do you think this event with Isaac and Abraham, seeing God's provision at the very last moment, impacted their faith? How does seeing God provide in this story impact your faith?

The Bible calls Jesus "the Lamb of God, who takes away the sin of the world" ([John 1:29](#)). How does the story of God's provision of a lamb in

[Genesis 22](#) point toward sending His Son to save us from our sins? What difference has knowing Jesus made in your life? Take a moment to thank God together for His provision of Jesus, the Lamb of God, and all that this gift means for us.

How could you encourage someone by sharing this story of God's provision?

Do you know of someone who is in serious need of God's provision and help? Take some time to pray for them.

We Are the Free

A song of liberty for the children of God! "We Are the Free" is the first release in a series of kids singles from Fellowship Worship. Our hope and prayer is that the Spirit of the Lord would remove the veil from kids' hearts as they turn to Him, that they could see and reflect His glory, and that they would enjoy the freedom of a life found in Christ. Visit fellowshipworship.com/kids to download the new single, and don't forget to leave a review on iTunes! We hope it's an encouragement to you and your kids!

Disaster Relief

The flooding in Ft. Smith has affected many in our area and, as a church, we want to do our part to help by providing financial support. Your giving will help purchase material for clean-up and possibly provide essential items for families in need. We have an established relationship with those at Grand Avenue Baptist Church in Fort Smith who are ministering to those affected by the flood. You can donate online at give.fellowshipnwa.org or write a check and indicate "Disaster Relief" in the memo line. The check can be placed in the offering plate or sent to our church office. In giving to this fund, be assured that all donations will be used to help those in need in the disaster area.

Welcome Stadels!

It's great to have Bobby and Beth Stadel home! They, along with their three teenage daughters, were launched to SE Asia two years ago. They have been in the process of learning the language and cultures so they can become neighbors to those who have little to no access to the Truth of God's Word. The Stadel's vision is to see God glorified among the unreached through the transforming power of the Gospel of Christ where obedient disciples make obedient disciples.

Through the ministries of Fellowship, this family is a beautiful illustration of the three metaphors we often use to describe our church: Greenhouse, Training Center, and Launching Pad. Bobby and Beth came to Fellowship when their daughters were very young; they entered the *Greenhouse* and began to heal and grow as a family. Then God captured their hearts placing within them a vision to reach the nations. Fellowship provided a *Training* component in their lives that prepared them to be *Launched* to SE Asia. We are excited to see them fulfill God's call on their lives.

If you would like to know more about their work or have them visit your community group, contact Bobby at bstadz@icloud.com.
