BELONG

Have you ever said or done something that you regret? Maybe it was completely out of character for you and in retrospect you can't believe that you said or did it. What drove you to that point? How did you feel afterward?

GROW

READ 2 SAMUEL 11:1-4

Identify each of the people or groups of people in this story by listing them and something you know about them. What about this story seems odd or out of place?

READ 2 Samuel 11:5-17

David devises a plan to cover his sin. Below, list something about each of David's plans and Uriah's responses that stand out to you.

David's Plan

Plan A

Plan B

Plan C

Uriah's Response

Plan A

Plan B

Plan C

Ultimately David's plan C is successful and Uriah is killed. Reflect on [2 Samuel 11:26-27](#). After all that has happened where do you imagine David is in his relationship to the Lord?

READ 2 Samuel 12:1-14

To understand Nathan's story you only need to realize that the rich man represents David and the poor man represents Uriah. How does the story ultimately cause David to convict himself?

In [verses 7 and 8](#) Nathan reminds David of all that God has done for him. What are the charges that Nathan brings against David in [verse 9](#)? What are the consequences of David's sin listed in [verses 10-14](#)?

How does David respond to everything Nathan has said? How does God show grace to David?

How have you experience consequence for sin? How has God shown you grace?
