When you were young, who is someone that you quarreled with often? A sibling? A classmate? A parent? Looking back, what was the source of your arguments?

Grow

This passage contains a clear contrast for true Christians to understand related to living well in God’s eyes.

Read **James 4:1-12**. How does this passage relate to **James 3:13-18**?

Focus on **verses 1-3**: What does James say is the root cause of fights or quarrels between Christians and others? Have you found this to be true in your life?

Focus on **verses 4-6**: God is depicted as jealous, grace-giving, and opposing the proud. Which of these characteristics of Him make you uncomfortable and which ones resonate with you?

Why does God oppose people who are proud (**verse 6**)? How can you tell if you have become proud? What role does pride play in fights and quarrels?

Verses 7-10 contain both instruction and promises. Share which is the biggest challenge for you. Which promise means the most to you and why?

Close your study time with prayer and reflect on the challenges that James issues in **verses 7-12**. Consider dividing into pairs or subgroups to share what the Lord is leading you to work on from this passage, perhaps a situation in which you need to ask forgiveness from a friend as you pray for each other.

Mickey Rapier | Directional Leader

Remembering Charlie

On October 12, our dear brother, Charlie Sego, stepped into the presence of Jesus. Charlie fought a courageous battle with lung cancer, yet his spirit never faltered. I'll never forget the day Charlie was diagnosed with this merciless disease. He was in the emergency room and the bad news was still fresh and hard to take in, but Charlie showed no signs of worry or distress. I told him that I was so sorry to hear of his condition, but before I could utter another word, he responded, "That's life, Mickey." He had no fear of death, but like the rest of us, was in no hurry to get there.

Charlie volunteered as an usher and community group leader from the moment he stepped onto the Fellowship NWA campus. When we opened the Fayetteville campus, he continued there, doing whatever needed to be done. After being nominated to be an Elder in 2009, he served humbly and faithfully. He brought wisdom and strength to our Board. If you are looking for a role model of service for Christ, look no further than Charlie.

Please pray for the Sego family as they mourn Charlie's passing, and join them in celebrating a life which invested selflessly into the hearts of anyone who crossed his path. His legacy will extend far beyond his years on earth, and I look forward to seeing him again one day.
