FELLOWSHIP MINUTE

MICKEY RAPIER | DIRECTIONAL LEADER

I recently received a letter from a family living in The Village on the Fellowship NWA campus, and it struck me once again of how blessed we are here at Fellowship. The Village exists to provide housing for missionaries who are on furlough or are about to launch into the mission field, and our Residents who commit a year to serve in various ministries within Fellowship. The mother who sent this letter expressed her gratitude for having not only a place to live, but a tight-knit community to surround and support her family as they prepared to move overseas. As she reflected on the ways that her children connected with other the kids living in The Village, and the encouragement that her family felt, she states: "Thank you for providing a place to rest, fellowship, learn, grow, and prepare... It's a gift that will continue to keep on giving." Thank you Fellowship for supporting missionaries and our Residents in this practical way.
