TAKE NOTE

MICKEY RAPIER | DIRECTIONAL LEADER

This summer, we have teams working in different parts of the world. Two of these teams are in Belize and Zambia. We recently received the following update from Kyle Plunkett, who is serving on one of our college teams. "Everything is going so well you would think we are making it up! One man, Mr. Ack, decided to have a meeting with all of the preachers from all the churches in the village. Everyone showed up and we talked theology and discipleship and it went really well! We have been meeting with a group of men about discipleship and there has been so much fruit. More things have happened than all the times we have been here before!" Great things are happening as these young people invest their lives in others abroad. Would you please lift them up in prayer this summer? They represent all of us on the front lines of ministry and God is using them in ways we can't even imagine.
