BELONG

When you were a kid, what was your response to getting in trouble? Did you hide out and avoid people? Did you try to be extra good to get back in good graces? How do you respond today when you get a reprimand at home, at work, or from your friends?

GROW

Read [Genesis 3:6-13](#)

What are some of the immediate results of Adam and Eve's sin? How do they respond? Why do you think they hid from God ([3:8](#))?

Does God know where they are? Why does He call to them ([3:9](#))? Why is Adam afraid of the God who created him ([3:10](#))?

In verses [10-13](#), where do you see shame? Where do you see blame? How do Adam and Eve try to fix their own problem in verse [7](#)? Have you ever felt shame? Are you ever tempted to blame others when you sin? How have you tried to fix your own sin problem? Share with the group.

Read [Genesis 3:14-19](#)

What are the specific punishments that the Lord hands out to the serpent, to Eve, and to Adam? Do these punishments seem to "fit the crime"? Why or why not?

How do we still feel the effects of these punishments today? What areas of our lives are affected by the judgment that the Lord decreed? Are we still living under the death sentence of [3:19](#)? Is there any remedy for these punishments?

Read [Genesis 3:20-24](#)

How is Adam's renaming of his partner from "Woman" ([2:23](#)) to "Eve" ([3:20](#)) a sign of hope? What does God's provision of an animal skin to clothe them ([2:24](#)) tell you about God?

How does [Genesis 3](#) explain why the world is the way that it is? How is the story of Adam and Eve, while a historical occurrence, really the story of all people of all time? How is it your story? How can the people in your group pray for you as you try to live for Christ in this broken world?

Mercy Ministries Meal Program

An evening meal is served every Thursday evening at the 8th Street Motel in Rogers in an effort to meet needs of healthy food for the 80+ residents who barely survive with the minimum of economic, health, and social resources. Meals are just a bridge to building relationships, encouraging restoration, and life change. Contact Sister Lisa at lisa.atkins@mercy.net for more information.

FELLOWSHIP | MINUTE

Mickey Rapier | Directional Leader

This is the time of year when hundreds of Fellowship students and adults are preparing to embark on outreach trips locally, regionally, and globally to spread the Gospel and make a difference in the lives of others. As different cultures mesh and relationships form, our goal is to reach the unreached both near and far. For those of us not taking part in these trips physically, we can still be involved... by praying! There is a list on our website (prayerguide.fellowshipnwa.org) with details about each trip. Our traveling groups count on the prayers of those back home to not only get them to their destinations and back home safely, but to enhance their effectiveness in making Christ known through their service and the relationships they build. We know that the Lord is going before us in each of these places, but we also know He blesses the work of those whom He sends. Let's pray faithfully for them!
