## TAKE NOTE

MICKEY RAPIER | DIRECTIONAL LEADER

Several times a year, we give our church family the opportunity to be part of Discover classes. Discover is a pre-membership experience whereby those who are new to Fellowship are given the opportunity to "discover" more about the philosophy, structure, vision, and mission of Fellowship Bible Church of Northwest Arkansas. For those who have been around for a long time, our church may not seem that complicated. But for someone who is new, understanding who we are can seem a bit overwhelming. If you haven't enrolled in the Discover experience, I encourage you to do so this fall when it is offered in your particular congregation. I am continually encouraged and amazed by the people God is bringing our way! Why? The people I meet in Discover that are new to Fellowship want to make a difference in Northwest Arkansas and the world. May all of us be challenged by their enthusiasm, and may we never become complacent with the gift God has given us in Fellowship.
