When you were young, what did you think it would look like to be rich?

Grow

Read [James 5:1-6](#). To whom did James address the teaching in this passage? What warnings does he give to them? What does he say could happen to them? What will happen to their riches and possessions?

What problems can wealth solve in a person's life? What problems does wealth not solve? How have you seen money change people?

In [verse 3](#), what is God's attitude toward hoarding wealth? Why does James say that God will punish rich people? From God's perspective, how have these rich people hurt others?

How does the Lord want us to handle our money and possessions? What does it look like to reflect God's heart in this area of life?

How should a Christian be different from those who do not follow Christ when it comes to wealth, finances, and leading others in business?

If the way that a person/couple uses money reflects what is most important, then how should this show up in the life of a

Christian? How can our money and wealth best be used to glorify God?

Who in your life have you observed that has done a good job in this area? What stands out to you about the way that they have honored God with their wealth and possessions?

What challenges you most from this lesson?

Clarity 2020

Clarity Books are available in The Worship Center Foyer for \$5.

Beginning Advent 2019, all Fellowship congregations will begin a teaching series called "Clarity." This year-long study, following the Christian Calendar, has been created to help our church see Jesus more clearly and experience Him more deeply. The Fellowship Staff has created a Clarity Book that is currently available for purchase in The Foyer for \$5.00.

We encourage each participant in the series to have their own copy of this great resource. It will parallel the teachings series with devotionals, reflection questions, prayers, daily scripture readings, and seasonal discipleship activities for families. We invite you to join us in personally engaging with this study throughout the year and encouraging everyone in your small group to do the same.

"Released Leader" Blog

Ever wonder how God is at work at Fellowship? I would like to remind you about our monthly blog, "Released Leader," designed to tell stories of how our church is producing and releasing leaders throughout NWA and the world. Released Leader showcases God at work. This resource will give you practical ways to grow as a leader and encourage you by the stories of life-change happening throughout all the congregations. Each month covers a key topic from the perspective of a leader within our church body. Our most recent post, by Ed Parrish, focuses on Living a Life of Prayer with a reminder to "Worry about nothing... Pray about everything... Experience the peace of God" (Phil 4:6-8 NLT). Check it out and subscribe to future posts at releasedleader.org or let us know if you have a story to share.
