BELONG

As you think back over the years, what makes it so hard for most of us to keep New Year's resolutions?

• [Proverbs 13:24](#) –

• [2 Corinthians 1:8-9](#) –

GROW

What is something that has stood out to you thus far in the “CR Takeover” Series?

• [2 Corinthians 1:3-4](#) –

How have you benefited when others have told you about a difficult experience that God has helped heal in their life?

How can other people benefit from hearing your story of trusting in God through something that has caused you pain?

What can you put into practice this week from this study or this week's teaching?

CR Principle 7 says to “Reserve a daily time with God for self-examination, Bible reading, and prayer in order to know God and His will for my life and to gain the power to follow His will.”

The focus of spending time daily with God is to increase our ability to fight relapse into destructive thinking and behaviors. Which of these four main causes of relapse do you have to guard against: 1) reverting to your own willpower, 2) ignoring the principles of recovery, 3) trying to recover without support, or 4) becoming prideful?

SERVE: NWA LOVING CHOICES

Do you ever feel like you just can't add one more thing to your busy schedule?

There's a concept called tyranny of the urgent... It's when we skip important

things in order to deal with urgent things. Before we know it, those urgent things

are running our lives! Don't let busyness keep you from participating in a small

group. When we gather in Christ-centered community we find truth, relationships, and

accountability. Your community pastors would love to help you find a group that is

the right fit for you. Visit with them at the Community Booth in The Foyer or sign up

online at community.fellowshipnwa.org.

Don't let something as important as your spiritual health get squeezed out of your

schedule by busyness. Make time to be in community, you will be glad you did.
