Share about something that you had to wait a long time to earn or receive. How patient were you in the waiting?

Grow

Read James 5:7-12. How does the farmer image relate to the Christian’s wait for “the coming of the Lord”? In what situation in your life could you apply the lesson of the farmer?

Verse 8 instructs Christians to “establish your hearts.” Discuss some ways you can cause your heart to resolutely stand firm when waiting is hard. Share about a time that was hard for you to wait on God’s timing. In what way were you blessed for remaining “steadfast”?

What are your tendencies when you become impatient with God’s timing? How does this affect your dealings with others? Why does grumbling against others invite God’s judgment?

James’ focus in these verses is on patience, suffering, and steadfastness. How are these passages similar to James 1:2-4 and 12?

James suggests we look to the prophets and to Job for examples of steadfastness in suffering. What lessons from Job and the prophets can we apply to our lives? Who is someone who serves as a good example to you?

Why do you think swearing matters to God? What can a Christian do to be trusted to tell the truth and keep promises?

For prayer, share about a situation or problem for which you need God’s help and patience this week.

Clarity 2020

*Clarity Books are available in
The Worship Center Foyer for \$5.*

Beginning Advent 2019, all Fellowship congregations will begin a teaching series called "Clarity." This year-long study, following the Christian Calendar, has been created to help our church see Jesus more clearly and experience Him more deeply. The Fellowship Staff has created a Clarity Book that is currently available for \$5.00 in The Foyer.

We encourage each participant in the series to have their own copy of this great resource. It will parallel the teaching series with devotionals, reflection questions, prayers, daily scripture readings, and seasonal discipleship activities for families. We invite you to join us in personally engaging with this study throughout the year and encouraging everyone in your small group to do the same.

Generosity

It's not uncommon this time of year to find we are a little behind in giving with respect to what is budgeted for the year. The summer months tend to be a little leaner in giving and through the fall, but we seem to always make up the deficit. However, this year, our Elders took some big strides in budget increases with adding new ministry initiatives and new staff to aid in the accomplishment of our vision and mission, as well as expand into new areas of need. Therefore we find ourselves further behind financially than normal. We aren't at a crisis point, but we do want you to be aware of the need. Pray about how you can help make up that difference through your generosity. It might surprise you to know that it takes approximately \$350,000 per week for Fellowship Bible Church of Northwest Arkansas to operate. Accomplishing that task is solely dependent on our faithful giving each and every week.

The Elders would also like to encourage you to set up electronic funds transfer, which helps our giving be more consistent. 60% of our congregation gives through electronic means. Go to give.fellowshipnwa.org to set this up, and if you need help, give us a call.

Thank you Fellowship, for your generosity and for all you do to make this such a special place.
