BELONG

Who is the person that gives you/or has given you the best advice? What advice did they give you that you will always remember?

Is there a verse from this passage that really stands out to you? If so, why? How does today's passage challenge you to grow spiritually? Take time to lift these things up together in prayer.

GROW

Read [John 14:15](#), [14:21a](#), [14:23a](#).

What should our motivation be for obedience to Jesus' commands?

Take a moment and re-read our previous section of Scripture, [John 13:36-14:14](#). What did Jesus command His disciples to do (hint: v. [14:1b](#))? What other commands from Jesus' ministry can you recall?

Now look again at today's passage.

Read [John 14:16-17](#), [14:21b](#), [14:23b](#).

What or Who does Jesus promise to believers to be with them in life?

How would you rate yourself in the obedience arena? Is your heart/motivation for obedience out of love or legalism?

Thank You to Children and Student Volunteers

2,162 is the number... That's the average number of children and teens from birth to 18 years old who participate in Fellowship's various ministries each weekend. That's a lot of kids, and a lot of opportunity. It takes an army of staff and volunteers to ensure that we are ministering to and equipping the next generation in an effective and personal way. Investing in the spiritual growth of a child or teen is a sacred duty, and we believe that partnering with you is the most effective way to disciple them. You may never know this side of heaven just how significant your ministry in a young life may turn out to be. We are thankful beyond words for each of you who volunteer weekly in our Children and Student Ministries. You are making a difference. Thank you!
