New to Mosaic?

WELCOME! We’re glad you’re here. Please join us at the Information Desk area in the center of the Foyer following either service. There, we’ll answer any questions about Mosaic - children’s ministry, small group ministry, etc...

We’d also love to know that you’re here. Just drop off a filled-out guest tab from the back of this Communicator under “explore.”

Additional Information:

- Discover Mosaic is a small group experience designed to help you get acquainted and determine if you want to make Mosaic your church home. Gatherings are scheduled 2-3 times per year, when we have enough participants to begin a new group. If you are interested, please go online to MOSACnwa.org, click ‘how you connect’, and then click “Discover Mosaic” to register. New groups are forming now. If you have any questions, please contact Carrie Tucker at 479.659.3618.

- Communion elements are available along the side walls of the Worship Center during the first service and in the south hallway during second service. On nights when we do not celebrate communion as an entire body, feel free to observe it privately at any time during the worship service.

- The Prayer Loft is an opportunity to pray with someone about a personal need after each service. First service goes to the prayer room at the front, right side of the Worship Center. Second service goes to the north hallway at the front, left side of the Family Center.

- Booths in the Foyer have information related to Mosaic activities, events, and ministries.

- The Connections Cafe is a great place to relax and grab coffee and refreshments.

- Music, CDs, and Books are available before and after the Mosaic services at the Resource Desk in the Foyer. CDs of recent messages are available for $2 and are also on our website.

- Campus Security: Uniformed police officers are on campus to help our church family with safety issues, traffic control, security or medical matters.
