TakeNote... from mickey roper

As you walk into Fellowship’s Fowler and Worship Center, as well as other buildings on campus, there are decorated trees and decorations about “ITS CHRISTMAS”! Each year at Christmas, the Fellowship staff sets aside a day to decorate our buildings. Trust me, it’s a lot of work, but we enjoy making the buildings beautiful for you and your children. The person who leads in organizing this decorating event is Mrs. Beth Davies. She serves as the Director of Creative Arts at Fellowship and also hosts the new Spectra Ministry. Both Beth will tell you that our staff does the work, but we couldn’t decorate with such excellence without her direction and organizational skills. What’s more, she does all of it on a shoestring budget, even the good steward of Fellowship’s resources. She has served on staff for almost 12 years, but has been a part of our congregation for over 20 years. If you know Beth, please pass along your thanks for all her hard work.
