SERVE WITH MOSAIC

Mosaic depends on people like you! It truly warms our heart when we see our people freely giving themselves for God's greater purposes. This handout is designed to familiarize Mosaic's potential volunteers with ministries and areas that exist to serve our congregation and community. If you find yourself particularly drawn to one of these ministries, please call or email the Ministry Team Leader, introduce yourself, and discover how to get involved. You can also visit our website at mosaicnwa.org/serve to see all the current needs.

KIDS Jr: Birth-Kindergarten

Infant Classroom Teachers love and care for our infants and crawlers and help them begin to learn about our Heavenly Father.

Toddler Classroom Teachers teach, love, and care for our toddlers and help them begin learning about our God! Curriculum is provided.

Preschool/Kindergarten Classroom Teachers teach, love, and care for our preschool and kindergarten age children. Curriculum and worship time is provided for our kids to continue learning about our Heavenly Father.

Early Childhood Worship Leaders help lead worship for our preschool and kindergarten children. Worship scripts are provided and include Bible stories, skits, and songs.

Tech Leaders help lead worship from the sound booth. Technical training is provided.

Check-in Leaders help Directors check-in and check-out children before and after services. Requirements: basic computer skills.

One-to-One Leaders provide assistance to our special needs children in the classroom. Requirements: patience and love.

Greeters help newcomers find their way around our big campus! Requirements: enjoy meeting new people and making them feel comfortable.

Coordinators help Directors maintain classrooms during the 5:00pm or 6:45pm services. This could include helping teachers in classrooms, strolling with children, or helping with whatever is needed. Requirements: enjoy helping with the task at hand.

Mosaic KIDS:
123: 1st-3rd Grade
45: 4th-5th Grade

Greeters greet parents and welcome children at the entrance doors.

Computer Check-in Leaders greet parents and check in children using our computer system.
Requirements: basic computer skills.

Small Group Leaders hang out with a group of kids through the worship/large group time, then lead them through their curriculum during the small group time. We provide all supplies for our groups.

Large Group Teachers share the creative Bible teaching: drama, puppets, shadow play, etc.

Worship Leaders lead our kids in worship and celebrate God through music, crazy motions, and other fun ways.

One-to-One Leaders help our special needs children have a worshipful experience.
Requirements: patience and love.

Celebration Opportunities (Non-Musical)

Creative Artists use their artistic, dramatic, spoken word, and other gifts to enhance the corporate worship experience at Mosaic. Requirements: creative worshiper, team player; potential Thursday night and Saturday afternoon rehearsals; contribution may be project based.

Tech Team helps foster a healthy corporate worship environment through graphics and lighting. Requirements: simple technical skills, team player, “calm under pressure.” Training is provided.

Prayer Team prays with the people of Mosaic after the service, lifting up areas of need, difficulty, and thankful praise to God. Requirements: heart for God and people; commitment to confidentiality; willingness to follow pastoral leadership.

Meal Team is made up of an individual, family, or group that wants to serve by preparing a meal for 15-20 worship team members on a rotating basis. This is for those that love to cook and serve others.

Ushers greet people as they enter the Worship Center, assist with seating, offering, and other tasks as necessary. Requirements: warm, friendly, and hospitable personality; arrives 30 minutes prior to service.

Communion Team prepares and removes communion elements. We ask that you be available every 4-6 weeks to arrive early for preparation and to stay a few minutes after service for light clean-up. Requirements: enjoys helping others and performing small tasks.

Buildings and Grounds:

Our Buildings and Grounds Team has many different tasks to accomplish. Some are seasonal and some are year-round. Some require experience and skill and some just require a willingness to help. All need a simple passion to serve using the time and talents that God has provided.

Custodial and Maintenance Team helps with various tasks such as cleaning windows, power washing buildings and baths, plant maintenance, annual area cleaning, and an assortment of building maintenance opportunities.

Grounds Team serves in a variety of choices on our beautiful grounds such as parking lot painting, landscaping, and other kinds of grounds maintenance.

Mechanics Shop:

Vehicles Team helps with routine vehicle and equipment maintenance, or with cleaning and organizing the shop.

Cabinet Shop:

Maintenance Team manages dust and micro dust unit filters, routine shop cleaning, and storage solutions of parts and supplies.
