

How can our family can serve together in Northwest Arkansas during Spring Break?

- Write, draw pictures or make cards for a nursing home, assisted living center, local hospital
- Have a picnic in the park and stay and pick up trash in the area
- Ask a classmate, who you know needs a good friend, to go with you and your family to do something special
- Go on a neighborhood prayer walk – pray for those who live around you and on your street as you walk past their home
- Run errands for a mom who has a new baby, someone who has recently had surgery or a person who is homebound
- Keep kids for a family with special needs children. Let them get out and run errands, have a date night or just get away in the afternoon for a quiet moment alone!
- Have a prayer time for global workers and write them notes of encouragement
- Spend an afternoon volunteering at the Humane Society
- Makes some treats and drop them off at the local police department or fire station and thank them for protecting our community
- Volunteer to do one chore each day!
- Find one person you can tell the story of Easter
- Make a set of Resurrection eggs to share with a neighbor or invite a neighbor friend to make them with you.
